[EoS Announcements](#) [Security Advisories](#)

Executive Summary:

This marketing advisory provides details about the End of Sale (EOS) of Brocade's FastIron Edge Series 9604 (FES9604) models. The recommended alternatives are the FastIron WS Series switches or FastIron GS Series switches. Brocade Communications Systems will continue to offer and provide support for the End of Sale products 5 years from the last buy date announced below for those customers with a valid support contract.

Announcement Date: June 26, 2009

Exclusions: None

Effective Date: June 26, 2009

Last Buy Date: December 31, 2009

Expiration Date: None

Availability:

The FES9604 models will continue to be available for sale until the announced last buy date. Please confirm with Sales Operations for order availability.
