February 22, 2012

Dear Brocade Customer,

This letter is a formal notification that Brocade is initiating the End of Life (EOL) process for the following Brocade® IronPoint 250 Access Point SKUs. Pursuant to the terms of your agreement with Brocade, this letter serves as your formal written EOL notification, which will allow for appropriate planning and opportunity for last time purchases. The recommended replacement products are listed below.

The objective of the Brocade account management team is to smoothly transition opportunities to the alternate products by planning to the following milestones:

**Brocade IronPoint Access Point SKUs**

- |                                                                               |                    |
|-------------------------------------------------------------------------------|--------------------|
| • EOL Notification Date                                                       | February 22, 2012  |
| • Last Time Order (LTO) Final, Non-Cancelable, Non-Returnable Orders Due Date | August 22, 2012    |
| • EOL Last Ship Date                                                          | September 22, 2012 |
| • End of Support (EOS) Date                                                   | September 22, 2017 |
